

## Universal Storage System

PART NUMBER	DESCRIPTION	LIST PRICE
USS5	5' Length with 14 Openings	\$460.00

Easily store stone remnants and finished counter-tops in a conveniently organized manner with the Universal Storage System. The outside rails are constructed of extruded aluminum to provide a strong, but lightweight storage solution, and are designed with slots to hold 2" x 4" wood. This system can support up to 500 lbs. per opening when using 2" x 4" wood in the slots.

## Buggy Buddy now only **\$490**

PART NUMBER	DIMENSIONS (w x d x h)	LOAD HEIGHT	LIST PRICE	PROMO PRICE
BB-40	40" x 24" x 45" Buggy Buddy	35"	\$544.00	<b>\$490.00</b>

The Groves Buggy Buddy with removable wood base makes moving and storing glass effortless. Riveted rubber mounted strips on the base and upright supports help eliminate marring. Slim 24" profile and durable, industrial grade casters provide easier material handling while hold down straps secure and stabilize each load.

## Heavy-Duty Shop Carts

PART NUMBER	DIMENSIONS (w x d x h)	LOAD HEIGHT	LIST PRICE
HDSC8448	84" x 40" x 63" Shop Cart	48"	\$1,168.00
HDSC8472	84" x 40" x 87" Shop Cart	72"	\$1,444.00

Transport stone around the shop or to the job site. Stable and easier to move with four heavy-duty 8" casters, two rigid and two swivel with brake, rated at 1,000 lbs. each. Available in multiple load heights and complete with ratchet straps to secure load and a pull handle for maneuverability. The heavy-duty shop cart also has a powder coated finish for long lasting durability.

## Stone Dollies

PART NUMBER	DIMENSIONS (w)	LIST PRICE
SD-48	48" Stone Dolly	\$294.00
SD-72	72" Stone Dolly	\$344.00

For convenient and easy maneuvering of stone indoors and out. A 3" wide neoprene rubber covered channel prevents slippage and is easy to clean. Robust semi-pneumatic 10" tires and 4" casters combine to reduce breakage sometimes caused by vibration.
